CONCLUSION

The parties are attempting to resolve this case short of trial. It is believed that a pre-plea determination of criminal history may assist in obviating the need for trial. The government has no objections to this request.

Wherefore, Mr. Landers respectfully request that this Honorable Court enter an Order directing that the United States Department of Probation prepare a pre-plea determination of criminal history to determine the criminal history of Mr. Landers.

DATED this 30th day of April, 2015.

Respectfully submitted,

RENE L. VALLADARES
Federal Public Defender
